The answer – The greatest sin with Allah is association of partners with Allah, Glorified be He!

The answer – The greater shirk is that you perform an act from the different acts of worship to other than Allah: Like supplication and seeking aid and seeking rescue and seeking refuge and circumnating around the graves and many other than that.

The proof from the book of Allah: ﴿Say I invoke only my Lord and I associate none as partners along with Him﴾ (Al-Jinn 72:20)

The proof from the Sunnah: The saying of the Messenger <Avoid the seven great destructive sins.> The people enquired: <O Allah's Apostle! What are they? > He said: <To join others in worship along with Allah, to practice sorcery, to kill the life which Allah has forbidden except for a just cause, to consume usury, to consume an orphan's wealth and fleeing from the battlefield at the time of fighting, and to accuse believing chaste women, who are unmindful with regards to fornication.> (Agreed Upon)

The twelfth question – Is shirk present in this Muslim Nation?

The answer – Yes! It is present with extreme regret.

And indeed if the wailing women does not seek repentance before she dies she will come forth on the Day of Resurrection, wearing a garment of tar and armor of burning fire.> What is noted here is his saying *seeking water from the stars.* (Ahmad, At-Tabaraani, and Al-Hakim)
